Raiding by jdjejbndjdjkd on 2021/03/28 18:34 Ok so I love the game but I was playing in the classroom and I got attacked by someone else while I was playing it. And I lost all of my troops along with half of my castle. I didn't make it through the game to see if my troops came back but it was just devastating. If you can make the game a little more fair like your secret messages and if there is a new army system that is way more fair. And if you do not want people to attack while you are playing. Then maybe put an option where we can play one by one in our own kingdoms or have a leader board or something like that? I really love the game but I think some stuff needs to be changed. Thanks if you can take into consideration.",

"This is one of my favorite games because of the different levels and how easily it takes all my free time. It would be cool if there were different games you could play with friends online and offline. Also, I would be better off if you could actually get coins without spending your real money on them through in-app purchases or by downloading another game that requires real money. It would also be cool to have a way to actually get coins and lives without having to pay for them." "I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another game that requires real money. I would give this game five stars except for the fact that I feel like there's a lot of potential wasted on how they are trying to make money. Hopefully the developers will change their ways. I would love to give this game five stars because the graphics are good, and it is entertaining.",

Best Game Ever by Mr.QuackMcWack on 2021/05/29 03:13 This game is so much easier to play than the other games I've played. There aren't many glitches, and it doesn't take up so much space. It could use some more decorations but it is still a fun game to play, especially when you are bored and have nothing else to do, or when you need something to distract you from your homework or other things you need to do in life. It is a great free way of making people happier with the challenges this game provides.",

In August 2021 Moon Active announced that they had signed a deal to create a "Coin Master" themed game titled "Poke Monsters World Tour".
